👤 PROFILE

A highly-motivated, adaptable and responsible med school graduate now pursuing his dream career in software engineering.

My past academic studies have given me a solid foundation in literature, communication and data management. My experience from my previous work also enabled me to develop strong customer service and teamwork skills. I aim to leverage these skills and further pursue my passion.

📁 EMPLOYMENT HISTORY

Data entry/ Office administrator at Golden Gate Cargo Company, London

July 2021 — January 2022

Was responsible for managing the swaths of different company data:

1. Compiling, verifying accuracy and sorting information to prepare source data for computer entry
2. Reviewing data for deficiencies or errors, correcting any incompatibilities and checking output
3. Entering customer and account data from source documents within time limits

Junior doctor at Masaka Regional Referral Hospital, Masaka, Uganda

November 2020 — May 2021

Having worked under rigorous academic demands, i have experience in working under intense and challenging workloads. Some of the activities i used to do include:

1. Clerking (documenting history, examination, and plans on the patient's file)
2. Chasing reports of dozen patients and evaluating them daily
3. Documenting everything in the files or on the online computer system

🎓 EDUCATION

Medicine and Surgery, Mogadishu University, Mogadishu, Somalia

September 2015 — October 2020

Graduated top 5 of my almost 100 students class

Biology and Chemistry diploma, Elif Pre-University College, Baidoa, Somalia

August 2013 — July 2015

High school diploma, Basha'ir Primary and Secondary school, Baidoa, Somalia

September 2003 — July 2013

Graduated second of my class
